

William Nowell
(870) 582-3161

Objective

Strong willed Cyber Security College student looking to learn greater applications through experience. I am a fast learner with a strong attention to detail. I am passionate about doing my best work no matter what the job entails. I would like to contribute while gaining experience in the field.

Education

Strayer University
BS, Cyber Security Management (Major) GPA: 3.4
Greenville, SC
Class of 2018

I am currently in the process of obtaining my Associates degree in order to start in the IT field.

Experience

ABM Security
Security Officer
DeQueen, Arkansas
Jul 2015 — Dec 2015

Perform routine patrols to inspect safety and security devices. Keep personnel and truck logs as well as monitoring the contents and personnel within the building.

Watch video surveillance cameras, take notes and prepare federal documentation.

Volt Workforce Solutions
Assembly Line
Rogers, MN
Mar 2015 — May 2015

Learned all assembly positions required to build the unit for the specified line from start to finish.

Made sure that the unit specified was operation and in optimal condition to meet demands of the customers.

Larry's Pizza
Dishwasher

Benton, AR

Aug 2013 — Dec 2013

Used detail oriented skills to clean the kitchen from top to bottom to prepare and end my shift.

Used precise speed and detail in order to clean every utensil and object that came into the kitchen.

Cascade Lakes Brewery

Line Cook

Bend, OR

Jun 2012 — Nov 2012

Provided support for other cooks to provide the best possible service and quality to the customers.

Skilled at interpersonal communications with proven record to build harmonious relationships with diverse audiences.

Used detail oriented skills to clean the kitchen from top to bottom to prepare and end my shift.

McDonalds

Sales/Marketing

Bay City, TX

Feb 2010 — Apr 2011

Provided support for other cooks to provide the best possible service to the customers.

Skilled at verbal and written communication, customer relationship management, and ways to improve on how to further the business as a whole.

Wal-Mart

Sales/Marketing

Bay City, TX

Apr 2009 — Aug 2009

Created signage, circulars, email campaigns, online promotions and more for campus organization, successfully rebranding image and attracting new members.

Provided support to social media efforts, surveying and reaching new target audiences.

Skilled at verbal and written communication, customer relationship management, and public relations campaigns to drive sales and gain competitive edge.

South Texas Nuclear Operating Plant

Firewatch

Palacios, TX

Aug 2008 — Dec 2008

Successfully worked through a nuclear outage while understanding and applying my work to set federal guidelines for the job.

I started at the top of the hour with an objective to apply safety while signing off on fire hazards throughout a specified route in the plant.

Skills & Additional Info

Skills — Microsoft, Proficient Typing Skills, Academic Writing, Attention To Detail, Computer Programming, Computer Proficiency, General Problem Solving, Security Oriented

I have spent a big portion of my life traveling across the U.S.. I play the guitar. I also spend a good portion of my time with my kids.

I am looking for an opportunity to show that I am worth the time and effort. I have confidence that I am the perfect fit for this position.
